Creating a Parent Account in PowerSchool

Create Parent Account

Parent Account Details

First Name	
Last Name	
Email	
Desired Username	
Password	
Re-enter Password	

Password must: •Be at least 7 characters long

Create your own username and password →

Link Students to Account

Enter student's full legal name. If this doesn't work, try using the full legal name including the middle name(s). →

Use the information (Your Access ID and Your Access Password) provided to you by the school. →

If you have more than one student, add them to the family account using their individual Access ID and Access Passwords provided to you by the school.

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account
