- **School fees** are posted on our school website. As of August 15, 2018 payments can be made by Visa, MasterCard, debit card or by **School Cash Online on our school website** <http://chs.lethsd.ab.ca> **Payment is requested by September 30, 2018.**

Lethbridge School District 51 eliminated the payment of the District fee in the 2016-17 school year. We still have fees assigned to option/elective programs and various student resources. These fees are required to effectively operate the programs and opportunities for students.

Please note:

1. **We DO NOT accept cheques.**
2. **Fees for semester 1 electives will be invoiced at the end of September and semester 2 electives will be invoiced in mid-February.**

We look forward to seeing you on September 4th, 2018. Enjoy your summer!
