Berridge Programs started in 2007 under the name Acting Abroad. For eight wonderful summers we have brought young artists from around the world together with professional actors, directors, producers, choreographers, writers and filmmakers to study the craft of acting and filmmaking in the extraordinary setting of Chateau le Mont Epinguet in Normandy, France. We are dedicated to delivering the highest quality programs that offer young artists the unique opportunity to combine a performing arts camp, college residential program and study abroad experience.

Many of our students have gained admission to the college of their choice by writing and talking about their unique experience with us. Our alumni attend some of the most prestigious colleges in the world including Yale, Brown, Dartmouth, Vanderbilt and Vassar as well as many reputable theatre programs including NYU Tisch, Carnegie Mellon, AMDA, Webster Conservatory and USC and also programs abroad at RADA, LAMDA and Drama Studio London. Read more about our alumni and program here: www.berridgeprogram.com.
