- Explore the other sectors in the afternoon

Register by January 11, 2019.

Schulich Leader Scholarships are Canada's most coveted undergraduate STEM scholarships. Fifty are awarded to entrepreneurial-minded high school graduates enrolling in a Science, Technology, Engineering or Math program at 20 partner universities across Canada. Twenty-five are valued at \$100,000 for engineering scholarships and 25 are valued at \$80,000* for science and math scholarships. You must be nominated by your school. Apply before **Feb 2, 2019**. Please see Mamta in the Career Centre for more info.

The Lethbridge Kinettes - Accepting Applications for Post-Secondary Funding

Students attending a recognized post-secondary institution during the 2019-2020 school year are encouraged to apply for a \$1,000 bursary. Bursaries are awarded to students based on financial need, community and school involvement, and knowledge of Kin Canada. Successful applicants will be notified in June 2019.

For more information visit www.kincanada.ca. If you are interested in applying for a bursary please see Mamta in Room 209. Applications can also be downloaded at www.kincanada.ca/bursaries. Deadline: **February 1, 2019**.

Off-Campus Education Experiential Career Learning Opportunity,

March 14th & 15, 2019 - This event is an opportunity for students to explore the trade they have a strong interest and aptitude in as a career. There will be four groups of trades for students to experience.

Automotive Group: Heavy Equipment Technician, Auto Body Technician, Auto Service Technician, Motorcycle mechanic, Recreation Vehicle Technician, Electrical Motor Technician
Welding/Metal Fabrication Group: Welder, Sheet Metal Worker, Machinist

Culinary Group: Cook, Baker

Construction Group: Cabinet maker, Carpenter, Plumber, Electrician, Flooring Installer, Concrete Finisher
Students will be placed with an employer, in their career choice, for two days of unpaid on the job experiential learning. The students will be expected to have all the employer required PPE and responsible for their own transportation to and from the workplace.

The expectations of the students:

Punctuality, respect for all safety rules and employer guidelines, and participation in all employer planned activities. All students will be covered under the Lethbridge School District worker's compensation policy and must have their parent or guardians consent forms completed. There are a limited number of student placements available; students must have a genuine interest and commitment to the trade, and be working toward the required trade entrance requirements.
