We hope you are looking forward to the conference as much as we are! Visit <https://aslc2019.weebly.com/> for more info.

FROM THE CAREER CENTRE

Off-Campus Education has an exciting summer opportunity for students interested in the trades.

The City of Lethbridge will be offering six Registered Apprenticeship Program positions for students this summer.

- 1 student to work in their plumbing department
- 1 student to work in their electrical department
- 2 students in their heavy equipment mechanic shop (fleet services)
- 1 student to work in their carpentry department

And possibly one student to work in their traffic light department

Fortis Alberta will place one Registered Apprenticeship Program student to work as a Power Line Technician this summer.

All of these positions are competitive. Students will need to complete an application form, submit a resume, cover letter and a teacher reference. Students must be in good standing with their schools and meet the high school prerequisite classes required to apprentice in the corresponding trade.

Students must have had a previous job and have a valid drivers license to apply for the City of Lethbridge RAP positions. The application deadline is **May 1st**. For more info, please contact:
