# DISTRICT SCHOOL COUNCIL

## LEARNING SESSION FOR PARENTS

The parent information session will focus on technology, specifically the programs students have access to at school and at home.

The session will also focus on what websites parents can access to support their child's learning, along with other tech tips.

For example, did you know each Lethbridge School District No. 51 student receives five Office 365 licences? That allows parents to install Office 365 on five different devices, to give you the ability to use software such as Excel, PowerPoint and Word.

## WHEN IS IT?

The session will go from 6-6:30 p.m. on Monday, Nov. 5 inside the Board Room at the Lethbridge School District No. 51 Education Centre (433-15 St. S.)
