SkillsXibition presented by Syncrude

Skills Canada Alberta is excited to launch SkillsXibition presented by Syncrude. Students will follow a hands-on, live workshop with real tools and materials. A list of materials required for each session will be posted with the schedule, and a subsidy will be available to purchase the required materials. Another program that is held in conjunction with the Provincial Skills Canada Competition is Girls Exploring Trades & Technologies Conference (GETT). SkillsXibition will include sessions leading female experts in various trade & technology industries. A detailed schedule of both SkillsXibition and GETT sessions will be posted on the SkillsAB website, with registration opening **March 10 at 8:30 a.m.**

SATC Virtual Science Fair

The Southern Alberta Technology Council (SATC) would like to invite your students to the 2021 Virtual Regional Science Fair. The Science Fair is open to all students grades 4-12. Prior participation in a school fair isn't a required prerequisite, so please encourage students to submit their projects. Online video submissions of student projects will be accepted. The deadline for submissions is on **March 22, 2021**. For more information and a registration page visit www.satclethbridge.ca. If you need more information, please contact Angeliki Pantazi (angeliki.pantazi@uleth.ca).
