CAREER EXPLORATION SESSION

EMS PARAMEDIC

May 13, 2021
4:00pm

Emergency Medical Services is a dynamic field in healthcare. Not only is our working environment filled with constantly changing situations, our protocols for patient treatment are also constantly evolving and expanding. This gives paramedics greater ability to treat patients in the out of hospital environment. EMS has also embraced the latest technology including the use of EMS Computer Aided Dispatch (CAD) in our units, utilizing electronic record keeping (EMR) and other advances such as the use of industry standard cardiac monitoring equipment (ECG), IV pumps, and power-assisted stretcher/lift systems. Find out more at this session!
