

Chinook High School Fundraising-Grocery Gift Card Program

(A sign-up form is required for each purchaser)

How Does the Program Work?

1. Purchase grocery gift cards through School Cash Online prior to the monthly deadline. Anyone can purchase gift cards on behalf of a student, just make sure to put the student's name in the "Who are you purchasing this for?" box and fill out this form.
2. Pick up your purchase on or after the designated pickup date in the School Business Office.
Students must have written permission to pick up cards on participants behalf.
3. Use the cards as cash when you do your grocery shopping.
4. A specified percentage of your purchase (i.e. rebate) is deposited into a fund in your student's name, the credit can be applied to all fees available through School Cash Online.
In the case of a trip, your rebate will only be applied once and must be completed in the school year the trip occurs. Monies collected can be banked and applied to student fees while the participant attends Chinook High School.
5. External vendors and/or participants will not be reimbursed for items purchased eg. Lifetouch, EFTours or any other company providing a secondary service to the school community.

The terms and conditions vary per store sponsor.

| Store Sponsor | Denomination | Rebate Percentage | Terms and Conditions |
|--------------------|------------------------|--|---|
| Save On Foods | \$50, \$100 Gift Cards | 5% Based on group sales of \$10,000 | ..Can be used at any Save On Foods or Overwaitea store .. Not accepted at Gas Bar ..Good on discount Tuesday |
| Safeway / Sobeys | \$50, \$100 Gift Cards | 2% Based on group sales of \$5,000 | ..Can be used at any Safeway or Sobeys store .. Not accepted at Gas Bar ..Good on discount Tuesday |
| President's Choice | \$50, \$100 Gift Cards | 1% Based on group sales of \$5,000 | ..Can be used at any PC store (Superstore, NoFrills, etc.) .. Not accepted at Gas Bar |

Example: Each month Joe purchases \$250 in gift certificates from Save-on and \$250 from PC (i.e. \$500 total). The rebate is calculated as follows:

| | |
|-----------------------------|---------|
| \$250 x 5% Save-On rebate = | 12.50 |
| \$250 x 1% PC Rebate = | 2.50 |
| | ----- |
| | \$14.50 |

In a single month, Joe has \$14.50 to go towards his Chinook sports fee, trip, etc.

Information Participants Need to Know

1. Rebates offered, by the stores, on bulk gift cards are in fact 10.5% for Save-On, 6% for Safeway/Sobeys and 5% for PC, however 4% of that rebate is going towards a processing fee. The processing fee is used to offset the Point of Sale costs we receive from merchant services.
2. Save-On Foods cards are also subject to a 1.5% admin fee, which is allocated to a school fundraising account. Students individual fundraising accounts will then receive the remaining 5% rebate.
3. When a participant wishes to apply their funds towards student fees, it is the parent's obligation to email the business manager (Katrina.Kontek@lethsd.ab.ca)
4. Account balances will be carried over to the following school year for participants who remain students at Chinook High School. Balances can be transferred to a sibling, relative or another individual attending Chinook High. If a participant has paid for all their school based activities from their fundraising account, and that participant is no longer a Chinook student, then the remaining funds will be transferred to the School General Fund unless a notice of transfer to other individual is received prior to July 30 of graduating year.

There will be no cash payout of funds to individuals. Please request any transfers prior to making payment towards qualified fees. Refunds cannot be given from the rebates.

6. Upon receiving their grocery card order, the purchaser takes sole responsibility for the order. Only in the case of a faulty card will Chinook be responsible for replacing any card(s).
