Meredith Cote/Matt Stevens

Club Descriptions	
Chess 4 Life	In Chess 4 Life students will move from unranked amateur to grand master under the tutelage of Riley Kostek and Dr. Lance Grigg. Students will be competing in the 2023-2024 Lethbridge Chess Open.
Chinook Christian Fellowship.....	Meet weekly to read a Biblical devotional and pray together. All are welcome regardless of any church affiliation.
Climbing Club.....	Chinook Climbing Club is focused on coming together to boulder and belay climb and build foundational climbing skills! This is a club open to all styles and skills, and beginners are definitely welcome (and encouraged) to join. We will definitely be meeting at the U of L to use the Ascent Climbing Facility and may also go to Coulee Climbing some time this semester.
Cosplay & Fandom.....	We are a club made up of like-minded people who are into cosplay, anime, manga, fanfiction, movies, and basically anything geeky and nerdy. All are welcome.
Crochet Club.....	Hang out and crochet! All levels of experience welcome
Dice Goblins.....	The “Dice Goblins” are a high school club dedicated to the world of tabletop role-playing games (RPGs), with a primary focus on the iconic game, Dungeons & Dragons (D&D). Led by passionate members, this club provides a welcoming space for students to embark on epic adventures, unleash their creativity, and forge lasting friendships.
Drum Line	A musical group of percussion instruments that practice/perform songs and cadences. Students will learn how to improve their Rudiments, Chops and Drumming skills.
Esports.....	Casual video games, meeting at least once a week, potentially more. This esports club is a zero-pressure place to come and have fun with likeminded gamers. Members will be playing games such as Super Smash Bros, Mario Kart, and Rocket league to start. And maybe others as we continue to grow. Hoping to eventually become competitive.
Grad Committee	For any grade 12 students interested in planning the Grad Gala.
Inkwell Society.....	The Inkwell Society, our high school creative writing and poetry club! Dive into the world of words, explore your imagination, and share your literary creations with like-minded peers. Unleash your creativity and let your stories and verses flow in a supportive and inspiring environment. The Inkwell Society is where your words come to life!
Low Key Fitness	Open to everyone, especially beginners. The club will provide a safe, inclusive environment for students and staff to learn how to use fitness equipment, try out different types of activities, and feel good about being active.
Tabletop Games.....	We gather multiple times a week to play games of all kinds. Games of Magic the Gathering is often played but board games of all kinds are played as well. We sometimes go to the comic stores in town and go to the movie theatre as a group for some of the bigger releases. Welcoming to everyone, new and experienced, come and have some fun. Flex 1 and 2 Room 214.
Yearbook	Yearbook club is designed to compliment the Yearbook 10/20/30 class; in particular, the club allows people who aren't able to fit the class into their schedule, as well as Grade 9s who can't yet take the class, to participate in.
For more information about a specific club, please teams message the teacher coordinator.
