Leadership students will once again be hosting a Halloween Carnival and Market in the morning on October 31st. Students and staff will have the opportunity to play Halloween-themed carnival games, show off their costumes, and buy treats from our student vendors.

On the topic of costumes, we would like to remind students that while we very much look forward to seeing the ways you dress up to show your Halloween spirit, we need everyone to consider safety and appropriateness when choosing costumes. As such, please know that weapons (real or fake) and masks that cover a student's face are not permitted. Further to that, costumes will avoid anything that is sexual or racist in nature. Remember, someone else's culture is not a costume. If you are unsure about your costume, please ask one of us in the office and we can help navigate this with you.

Have fun this Halloween and be safe!
