Monday, January 27	Science 30	All	LC	9:00-3:00
	Accommodations		LC	
	Float			9:00-3:00

\*Students writing diploma exams will do so in one of two places. Part A will be written in one of the computer labs and part B in the cafeteria. All students requiring accommodation will write Diploma exams in the Learning Commons.

\*Except for diploma and PAT exams, students can leave once they finish their exam. Diploma and PAT exams require students to remain for at least 1 hour before concluding their exam.

\*All other exams will be written in the student's classroom unless otherwise noted above. Signage will be posted in the main foyer outlining exact locations for all grade 9, 10 and 20 level exams.

\*Should you have any questions, please contact your student's teacher directly.
