CLUB	BRIEF DESCRIPTION
Chess 4 Life	In Chess 4 Life students will move from unranked amateur to grand master under the tutelage of Riley Kostek.
Chinook Christian Fellowship	We meet on Tuesdays to read the Bible, do a devotional and pray together as a group. Everyone is welcome to join!
Chinook Environmentalists	Come join us Mondays during flex 1 in Connor's room for conversations on how we can make a positive impact on our community!
Cosplay & Fandom	Welcome to anyone geeky or nerdy. Includes: cosplay, anime, fanfiction, fandom, manga, etc. We are student run. We always go to Calgary Expo too!
Drawing Club	Opportunity for students to spend time with others and draw. We will provide materials and prompts, as well as the option to do self directed drawing. Everyone is welcome!
Drum Line	A musical group of percussion instruments that practice/perform songs and cadences. Students will learn how to improve their Rudiments, Chops and Drumming skills.
The Dice Goblins (D&D)	The Dice Goblins is a place for anyone interested in Dungeons and Dragons and other TTRPGs. Welcome to any experience level.
Grad Committee	Grad Committe is for all grade 12s who are interested in planning their Grad Gala. The majority of decisions are made in this group including designing the grad hoodie, planning the program, food choices, etc.
Interact Club	A group that helps plan volunteer opportunies for the local and international community.
QSA	QSA is a club that promotes inclusion and a sense of belonging for all by building a queer-straight alliance
Women and Children Advocacy Club	We stand for supporting women, children, and youth in our community; raising awareness about mental health and family dynamics; and advocating for access to resources and support systems.
Tabletop Games Club	We gather multiple times a week to play games of all kinds. Games of Magic the Gathering is often played but board games of all kinds are played as well. We sometimes go to the comic stores in town and go to the movie theatre as a group for some of the bigger releases
Teen Mentoring	This club will take place after school on Thursday's, be a mentor for a student in Elementry school, fun games, interaction and activities, everything is supported and provided by the Big Brothers Big Sisters organization. A great way to get experience and build a resume, scholarship opportunity.
Yearbook Club	Yearbook Club is for students wishing to be involved in Yearbook but couldn't fit the class into their schedule - a major focus of the club is photographing all school events.
E-Sports	Prepare for December tryouts for a competitive season in the Spring! Games will likely include League of Legends and Fortnite.
Button Mashers	Button Mashers is a casual gaming club for students looking to explore vintage video games through vintage mediums (CRT Televisions, N64, GameCube, PS2, etc.)
Ethics Bowl	The Ethics Bowl challenges students to approach difficult, often divisive topics with nuance and empathy, confidence and humility.
Global Equity & Human Rights Club	Discuss quity & human rights issues around the world and ways to contribute to equity (fundraisers, awareness campaigns, etc.)
Culture Club	Bringing multicultural awareness to our school community.
The Text Best Thing	A space for students to read, connect with other avid readers, and share great texts of all genres
Bake Shop	A place for students that enjoy baking to get together and bake and sell baked goods.
Ball Hockey	We will play ball hockey behind the Gym on the Basketball courts. Hoping to set up regular teams on Mondays and Wednesdays
Anime Club	A club to watch/read and discuss anime and manga with likeminded people.
Sign Language Club	Learning and practising sign language. Might also learn other languages.
Language Club	The chinook language club aims to connect language learners, fostering cultural and linguistic exchange. It provides an engaging environment where members can improve their language skills, share learning strategies, and connect with others who share a love for languages. Through interactive activities such as language games, guest speaker sessions, and language exchanges, members can enhance their learning in a fun and supportive way. Whether someone is learning a new language or looking to maintain their fluency, this club offers a space to practice, grow, and build confidence in their abilities.
