## MyPass?

Alberta Education is no longer mailing diploma exam results and the only way for students to get results is through the Alberta Education myPass account. All students need to see the office ladies and give them a **PERSONAL** email to add to Power School to enable their myPass account. We recommend students set up their account as soon as possible.

## ATTENDANCE

### ATTENDANCE

If your child will be late, leaving early for an appointment, or absent due to illness, please let us know. You can report absences by calling or emailing the school office, or by using the

SafeArrival app. Please note we are unable to change a student's attendance UNLESS reported by a parent —thank you for your cooperation!

Over the coming weeks you will notice a change in front of our building.

We are increasing accessibility at Chinook by removing barriers for families and students by creating a dedicated space that increases convenience for those with disabilities or mobility access needs. We have 4 accessible buses that arrive at our building each morning & afternoon that will be utilizing what is currently a 15-minute parking zone. Soon, the City of Lethbridge will change signage indicating a larger no-parking zone nearest to the fire hydrant, east of the flagpoles. In the meantime, you will notice members of our Educational Assistant team kindly prompting drivers to create space for buses. We thank you for your understanding and consideration as we improve access for all.
